

Dear Greater Castle Academy Families,

We are thrilled to announce an exciting new partnership between Greater Castle Academy and Café Napoli—a beloved local favorite for over 35 years and known for its fresh, flavorful meals. Starting this school year, Café Napoli will proudly serve daily, hot, and delicious lunches to our students. Ordering will commence on August 11th and lunches will be served starting the first full week of school, beginning September 15th. Dinner options will also be offered in a few weeks! Those selections will be safely stored at school until picked up by the end of the school day. We're confident that this new program will not only enhance your child's school day with nourishing meals but also offer you the ease and peace of mind you deserve.

Through this new school lunch program, your family can enjoy the benefits of a convenient, customizable, and kid-approved meal experience every day. Here's what you can expect:

Fresh & Flavorful Daily Menus by Chef Mario – Featuring a wide variety of themed meals your kids will love, from classic comfort foods to globally inspired dishes.

User-Friendly Online Ordering with our Partners at FoodDays for seamless online ordering and parent communication. Frequent Orders lead to periodic perks such as discounts and sometimes surprise treats for your lunchers.
